No School!
Feb 20th: Pre-K Day #1
@3:30PM
Feb 26th: Pink shirt
Day

On February 14th, we are celebrating Friendship Day! We are naming it as such in order to celebrate all types of positive relationships. We want to recognize that it is a day of love for all those we care about. Students are invited to wear red, pink, white and/or hearts to show their love.

AFTER SCHOOL ENRICHMENT - Beginning March 10th, we will have Snapology after school. Snapology provides fun, hands-on learning experiences for students in grades K through 5. From Robotics and Engineering to Sports Science and Animation, there's something for everyone. They use familiar learning tools and technology to make learning fun. **Visit the QR code for more information and registration.**

SCHOOL ATTENDANCE!

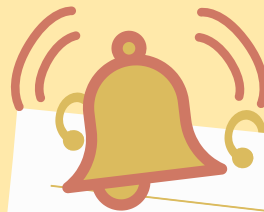

Part 2 of our Learn Why Series on Student Attendance: Understanding how school attendance builds long term skills in our students.

Improves Academic Performance and Skill Development

- Regular attendance ensures students stay on track with lessons, assignments, and learning, leading to better understanding and higher grades.
- many skills, such as problem solving and critical thinking, are developed through cumulative learning, which depends on consistent participation.

Reduces Learning Gaps

- Missing school can create gaps in learning that are difficult to catch up on, potentially leading to struggles in future coursework.

Friendly reminders

- School starts at 8:10
 - To Report an Absence: Safe Arrival 1-833-202-4304
- <https://go.schoolmessenger.ca>
